**A1FA#9375:**

*Let's extort for more CP then sell it*

**aTo#5410:**

*I lowkey dk [don't know] what extorting is bru*

**A1FA#9375:**

*You hold leverage over someone to get what you want.  
Say I had your name and you would do anything to keep  
that from people.*

*I'd be like fansign your dick.*

*That's extortion.*

*Or else I'll leak it.*

*In this case*

*We'll leverage the titty pic and her address and name to  
scare her and threaten swatting till we get what we want*

*Then we swat her anyways*

*[...]*

*This illegal shit gives me a boner*

**aTo#5410:** *Bro we're swatting her*

**26c63962#4243:** *no*

**A1FA#9375:** *Yes we're swatting*

**26c63962#4243:** *were not  
the fuck  
shes 12*

**Quit#9561:** *She's fucking 12*

**A1FA#9375:** *Yes we are*

**aTo#5410:** *we're swatting*

**A1FA#9375:** *We'll do it when she's at school*

*[ ... ]*

**A1FA#9375:** *lets get her to send pictures of all her parents credit card info  
"or we swat"  
After we get it  
swat*

## July 17, 2022

**A1FA#9375:**      *Here's what's gonna happen*  
*We're going to swat you*

[...]

**A1FA#9375:**      *If you don't send us pictures of your parents credit cards*  
*We will leak your nudes*

[...]

**A1FA#9375:**      *If you don't send us credit cards*  
*We have your house*  
*We have your parents names*  
*Everything*  
*Extortion of [VICTIM-1]*  
[...]

*Very simple send credit cards and you will be set free*

**A1FA#9375:**

*bro*

*I just*

*cleared a house*

*and taunted the cop*

*he was so fucking pissed*

*[ . . . ]*

*I said help my dad is holding us hostage locks us in our rooms  
and rapes my mom every night*

*They ended up clearing the house and kicking the door in*

*[ . . . ]*

*It was funny asf*

*I asked how my officers [sic]*

*She said rn we have 6 we have 2 more on the way*

*I said he has lots of guns he collects then [sic] and he has a  
grenade*

*Cop said*

*We're just at that house and it doesn't match up we will find  
you*

*I said oh yeah? Can you trace the call behind 7 VPNs and 2  
IRC proxies*
